Matlyst Monthly

Norwegian Fjellbrød

Makes 1 loaf.

Adapted from <https://mydearkitchenin-helsinki.com/2014/11/21/fjellbrod-a-nutritious-norwegian-bread/>

- 1 cup plus 2 tbsp (2.7 dl) whole milk
- 1 cup plus 2 tbsp (2.7 dl) lukewarm water
- 2 plus 1/4 tsp (11 ml) dry yeast
- 3 cups (7.2 dl) whole-wheat flour
- 1 cup (2.4 dl) rye flour
- 1/4 cup (0.6 dl) rolled oats
- 1 tbsp (15 ml) light brown sugar
- 1 plus 1/2 tsp (7.5 ml) salt
- 3 tbsp pumpkin seeds
- 3 tbsp sunflower seeds
- 3 tbsp flaxseeds

Heat milk in a pan until lukewarm. Add warmed milk, lukewarm water and yeast to a mixing bowl. Leave for 10 minutes. In another bowl combine remaining dry ingredients and seeds and lightly mix. Add liquid yeast mixture to bowl of dry ingredients and mix. Dough will be very sticky. Scrape mixed dough onto well-floured counter and form into a rough loaf shape. Add loaf to buttered loaf pan. Top with extra seeds as desired. Place on middle rack of oven and heat to 100C (212F). After 30 minutes, add oven proof pan of boiling water to the bottom rack of oven. Raise temperature to 175C (347F) and bake for 1 additional hour. Test center of bread with a toothpick and pull from oven when baked. Wait 5 minutes and remove bread from mold and allow to cool on a wire rack.

The Eighteenth Annual Barnelopet

The Barnelopet will be held **Saturday, February**

4th in Decorah. This event is co-sponsored by Jon and Mary Hart, Vesterheim Norwegian American Museum in Decorah, Valdres Lodge No. 503 of Decorah, the Heimbygda Lodge No. 376 of Lanesboro, as well as our lodge.

The Barnelopet is a children's noncompetitive ski/walk event, that will take place at the Decorah Community Prairie, registration starting at 9:40 a.m. It is a FREE event but participants must provide their own skis. There are a limited number of children's skis for rent at Decorah Bicycles. For more information contact Vesterheim at 563-382-9681 or go to <http://vesterheim.org/events/annual/barnelopet>. Encourage any child ages 3-13 to participate... everyone is a winner!

Romantic Restoration

A current restoration project taking place at Maihaugen, one of Northern Europe's largest open-air museums in Lillehammer, Norway, is generating anticipation for the project's completion.

The endeavor is steeped in Norwegian culture, a bit of romance and a royal twist.

Just weeks ago, the disassembled 1930s childhood home of H.M. Queen Sonja of Norway was moved from its original location at Tuengen allé 1b at Vinderen, Oslo, to Maihaugen in Lillehammer. The home is to be reassembled, furnished in an authentic manner, and opened to the public as part of a popular attraction at the museum that features homes representing each decade from the 1920s through 2001.

Work is now underway to breathe life into the house, which will showcase replicated and original furnishings used from 1935 to 1968. Queen Sonja lived there for most of her childhood years, until 1968 when she married then Crown Prince Harald. According to Maihaugen's website, the home was one of the few places the couple could meet during the nine years they were dating.

The house is constructed in the functionalist style, with hipped roof, horizontal cladding, windows by the corners and balconies with steel rails.

Museum guests can look forward to the official opening of the project on August 29, 2018, the date of Their Majesties' 50th wedding anniversary.

Norway will become the first country in the world to switch off FM radio

Norway is taking a nose dive into the digital world — at least with radio. The Norwegian government will be the first country to completely transition to digital radio, and it'll start when it switches off FM radio channels on January 11, at exactly at 11:11:11 AM local time.

One of the main reasons the government is transitioning now is to save money: It's cheaper to transmit via DAB (digital audio broadcasting) than FM, by about eight times. Going fully digital will save the country an estimated 200 million Norwegian Krone a year, which is about \$23.5 million. Other benefits from transitioning fully into digital include more channels and better radio quality. For more info <https://goo.gl/dWrcrc>

It's all about Volunteering!!

For the annual report that needs to be turned in every year to Sons of Norway Headquarters, Jill, our secretary needs to know how many hours of volunteer time we have given Sons of Norway. This is a hard thing to determine. We have all baked, driven, attended, etc. many events. Here is a form that breaks each month down. If you could take a few minutes to fill it out and then turn it into Jill Storlie (or mail it to her 20333 Cty 8, Sprng Grove, MN) that would help tremendously! All these events help promote our Norwegian Heritage, which in turn promotes awareness for the future generations. Thank you for all the time you have given Sons of Norway!

Fill in hours, or increments of hours. There may be other events, things that I haven't thought of...please count them!

Activities

Bok Forening (Book Club)

Bok Forening (book club) meets at 2:00 p.m. the third Tuesday of the month in room 103 at the Spring Grove Public Library.

For January, read any book(s) by Jerry Apps. Jerry Apps, born and raised on a Wisconsin farm, is Professor Emeritus at the University of Wisconsin-Madison and the author of more than 35 books, many of them on rural history and country life. The video "A Farm Winter with Jerry Apps" will be watched. The author, Jerry Apps, remembers country winters spent on his family's farm during the Great Depression and WW II. Apps recalls a time before electricity on the farm, when farmers milked cows by hand and "making wood" was a major part of winter's work. The video is based on Jerry's book "The Quiet Season".
